

James Stamp

Native Speaker English Teacher & graphics programmer

Fukuoka, Japan | stampatron1@gmail.com | github.com/stamps9k | stampatron.com

First-class Computer Science graduate who spent a decade in underwriting and enterprise software before moving to Fukuoka to study Japanese full-time. Now a Native Speaker English teacher in local junior high schools, and still building things on the side — mostly graphics engines and retro-hardware demos.

EXPERIENCE

Native Speaker (NS) English Teacher

OWLS Co., Ltd. — Fukuoka, Japan

20XX – Present

Placed at junior high schools in the Fukuoka city area. Plans and delivers English lessons alongside Japanese Teachers of English, coaches students for speech contests, and liaises with school administrators on scheduling and events.

Banking & PSP Exec

Bally's Corporation — Isle of Man

2021 – 2024

Reconciled PSP transactions, settlements, and fees across multiple payment providers, each with its own contract and data format. Migrated spreadsheet-based reconciliations onto Power BI and built models to compare PSP data against booked transactions.
